

# Benji

1 year old male husky-lab

Friendly ~ Athletic ~ Enthusiastic

Benji is a friendly young man who gets along with dogs, cats, and kids. His foster family taught him to skijor which helps get out some of his adolescent energy! Benji would love an active home who will continue to help him live his best Alaskan life.

If you are interested in adopting Benji, please visit [www.grrf.org](http://www.grrf.org) to fill out an application, or call us at 907-479-5577 if you already have an application on file.
