

Chloe

5 year old female golden -
border collie

Happy ~ Playful ~ Intelligent

Chloe is a happy young lady who came to us from the local shelter. She can be enthusiastic with other dogs but enjoys playing with them! Chloe is smart and highly food-motivated which makes training super fun. Despite her exuberance in exciting situations, she settles nicely and can relax on her own. Chloe is looking for a family who can help her lose a few pounds and provide a good balance of activities and downtime.
