

# Lucy

8 year old female lab mix

Friendly ~ Adventurous ~ Outgoing

Lucy is almost blind with cataracts, but that doesn't slow her down! She is diabetic but easily regulated and waits patiently for her injection during every meal. Lucy is very outgoing and friendly to all creatures. Her happy outlook on life is guaranteed to make you smile!

If you are interested in adopting Lucy, please visit [www.grrf.org](http://www.grrf.org) to fill out an application, or call us at 907-479-5577 if you already have an application on file.
