

Rocco

6 year old male shih tzu -
basset hound

Inquistive ~ Bold ~ Mischievous

Rocco is a little guy with a big personality! He views every day as his greatest adventure and is looking for the perfect family to share his delight with. Rocco has shown some lack of impulse control in stressful situations (meeting new people, kennel reactivity, and prey drive) but has already learned better decision-making skills. He would benefit from classes with his new family to continue practicing appropriate behavior in all scenarios. Rocco finds other dogs exciting but plays well once he gets to know them.

If you are interested in adopting Rocco, please visit www.grrf.org to fill out an application, or call us at 907-479-5577 if you already have an application on file.
